Whilst our rally day had been moved to 29th August due to a double booking at Ivens Reserve, at this stage the Pony Club have elected to cancel their Show on the 22nd August as the grounds would not be able to cope with the event. Just a safety note Adult Riding Club members note that depending upon the condition of the grounds on our rally day, we may hold two flat sessions rather than a flat and a jumping, as a safety measure.

Please book in with Frank on 0405 838 119 or 9796 9262 before 9pm or by email frankw@jimsskipbins.com.au before Thursday 8PM before Rally.

Please note that you can only be offered a second flat lesson if there is room in the lesson. Every member is entitled to participate in one flat lesson and one jumping lesson. YOU MUST BOOK YOURSELF IN to ride at any rally. Please do not have others book in for you. We are happy to accommodate all members but we need to know how many riders there will be to ensure we have enough instructors.

If you have to ring Frank and leave a message, please make sure you leave the instructor and the lesson time when booking. If there is no room available he will contact you to make an alternative time. Bookings are first in best dressed and are accepted until 8pm Thursday before the rally. Any changes after this time (including cancellations) should be made by phone.

Riders who constantly do not attend when booked in and who do not cancel risk being put on a reserve list for lessons.

SUNDAY RALLY DUTY:

AM	Frank, Mandy, Lo	PM	Frank, Mandy, Lo
----	------------------	----	------------------

ALL members are asked to participate "many hands making light work". A very BIG thank you in advance to all those who make the effort. We would appreciate ALL MEMBERS participating in the "rally poo pick up" at each session. Attention is needed in the arena and also car park area.

LARC Pooper Scooper will be by the Arena Gate each Rally, all riders & spectators are welcome to pick up poo on the day.

Reminder: All members are asked to PICK UP HORSE POO AND HAY FROM CARPARK AREA - either take it home or put under trees on grass area.

HORSE TROUGH

Well Carol Campbell has done us all proud once again. Having contacted Mid West Concrete Pty Ltd in an effort to purchase a horse trough for our grounds, they instead have donated a double horse trough to our riding club.

It will be collected as soon as arrangements can be made and installed at Ivens Reserve, very generous in the lead up to the hot summer we are sure to have. Please visit their web site at www.midwestconcrete.com.au if you'd like to take a look at their other products.

NEXT COMMITTEE MEETING

The next meeting will be held on Tuesday, September 14h 7.30pm at Allie's home, 50 Kerrs Lane, Lysterfield. All members are welcome to attend. Please contact a committee member should you require any further information or to confirm the venue has not been changed prior to the meeting.

If you are interested in participating in a training event (priority would be given to team riders), please contact Allison directly and she can keep you up to date.

TTT DRESSAGE NOVEMBER 2010

TTT Dressage in November is fast approaching, and already Allie has had a huge amount of interest from people to compete. It looks like we will field several teams at this event, and it will truly be a big social weekend. So remember, if you're out competing to get your qualification log stamped. We are looking at organising a level assessor at a rally specifically for those who need to qualify for this event, so please let me know if you think you'll need this. Allison Quinn-Kelly

UNOFFICIAL CT & DRESSAGE DAY

Sunday 7th November at Ivens Reserve

LARC Inc are hosting a CT & Dressage Day.

What a great opportunity to compete with your horse on your home ground, where you are both comfortable. For those who have not dipped their toes into the competitive pool, this is the event for you!!!! Please talk to any Committee member about the program and rules, or Allie, Jenny, will be only too happy to take your calls and field your questions and concerns. With members going to such lengths to host this event we hope all LARC members will get behind their efforts - book in and compete, alternatively help on the day, or better still, do both!!! Thanks to Jenny and Allie for their efforts. Program has again been included at the end of newsletter.

LARC AUSTRALIA DAY 2011

Competition Day - Wednesday 26th January 2011. A Sub-committee has been formed to organise this extravaganza so please contact her if you can help in any way allison_quinn@hotmail.com 0419 533 777

THE EQUINE RADIO SHOW

Thursday morning 7am - 9am on 97.7FM is The Equine Show. Check it out as there are often give aways.

CABINET TO CLUB ROOM

Committee had some time ago ordered a steel cabinet to match one already in the club room at Ivens Reserve for storage of primarily our first aid equipment (Equine & Human) . It has finally arrived in stock so will be installed soon. It will be open on rally days.

DIABOLICAL STATE OF THE TRAILS

Due to works recently undertaken on Wellington Road the Equestrian Trail is in the worst state it has been for some time. It has huge track holes full of water, mud deep and too thick for horses to go through safely, large stones embedded along the way. Not safe for walkers or riders. Members are urged to email Council Management, attention Mr Ben Bainbridge, Executive Officer of Recreation Services mail@yarraranges.vic.gov.au to highlight this danger and ask for the trail to receive urgent repairs. Cheers Carol Campbell

enormous portions of the track are dangerous to travel. Deep mud and sharp stones are a hazard to walkers and riders alike. Please contact Council to express your concern and request repair to this valuable track. What a choice they leave us with - travel down the dangerous track or get out onto Wellington Road with the steel barriers on the sidelines and 80-100km per hour vehicles!!! Contact Carol 0409 000 836 for further details.

SHED & TRACTOR/

LARC are looking to invest in a large storage shed (to house) and a tractor (to move) our showjumping trailer. Anyone with industry connections or offers of donations should contact Frank 0405 838 119

EOI FOR 2011 COMMITTEE MEMBERS

We all pay the same fees but some members do a lot more work than others. Having an active Committee to run the club ensures that current member needs are catered for and fresh ideas and drive are always a bonus. We appreciate all the efforts of Committee Members past and present and take this opportunity to advise there will be a numbers of Committee Members leaving at the end of their term so Vice-President, Secretary and Newsletter Editor roles will be open for "fresh blood"!! Thanks to those members who whilst not yet on Committee have been attending meetings and working very hard to get clinics and events under way. So members, we ask you consider participating in the running of the club. Please contact Frank to express your interest in being on the Committee!!!
